DISTRICT-HARIDWAR, UTTARAKHAND, INDIA

Documented in line with the requirements of Directive 2006/95/EEC & 2004/108/EC. SWISO India Pvt. Ltd has performed the review of the technical file covering the requirements of the certified products.

The manufacturer must inform SWISO of any plan for substantial changes to the technical documentation related to the product in order to examine whether this Certificate remains valid. Annual periodical audits will be held to verify the validity of the Certificate.

Director Product Certification

Certificate No. CE/045-A

Country Head

Initial Certification: 27-09-2008
Valid until: 26th September 2013

Further clarification regarding the scope of this certificate and the applicability of requirements may be obtained by consulting the organization. Lack of fulfillment of conditions as set out in the Certification Agreement may render the Certificate invalid.

Any significant changes in the design or process used to manufacture the products, or revisions to the standards referred above may require special audit. The product liability rests with the manufacturer or his representative in accordance with standards. Above CE diagram is schematic and is used for reference only.
